*'There is a strong culture of safeguarding across the School'*

January 2020

Dear Parent/Carer

Goodmayes Primary School has been given the opportunity to take part in a project that will run jointly between schools and the Metropolitan Police Service. This project is known as Operation Encompass.

Operation Encompass is the notification to schools that a child (under 18) has been exposed to, or involved in, any domestic incident. Children can be significantly emotionally or physically harmed. When this is the case, the information received will be used to make sure the right support is available for these children and their families. This will ordinarily be shared by the start of the next school day.

Operation Encompass will ensure that a specially trained member of Goodmayes staff, known as a Designated Safeguarding Lead (DSL), is informed. The DSL can then use the information that has been shared, in confidence, to ensure the wellbeing of the child. The school will be able to assist, make adjustments to or provisions for any difficulties experienced by the child, or the family members.

Here at Goodmayes Primary School we are keen to offer the best support possible to all our pupils and we believe that this will be extremely beneficial for all those involved. If you have any concerns or questions, please contact Winsome Fletcher, our school's Designated Safeguarding Lead, and we will be happy to discuss this further.

Further information about the project can be found on our school's website and is available at the school office on request.

Signed
