Corporate Health, Safety and Welfare Management System

			<p>PPE is only needed in a small number of cases:</p> <ul style="list-style-type: none"> <li>- Children, young people and students whose care routinely already involves the use of PPE due to their intimate care needs should continue to receive their care in the same way.</li> <li>- If a child, young person or other learner becomes unwell with symptoms of coronavirus while in their setting and needs direct personal care until they can return home. A face mask should be worn by the supervising adult if a distance of 2 metres cannot be maintained. Even if a distance can be maintained PPE should still be worn at the point of pupils displaying possible symptoms and by staff who will be managing this. If contact with the child or young person is necessary, then gloves, an apron and a face mask should be worn by the supervising adult. If a risk assessment determines that there is a risk of splashing to the eyes, for example from coughing, spitting, or vomiting, then eye protection should also be worn.</li> <li>- Staff who are clinically extremely vulnerable follow use of PPE as identified on their individual risk assessment.</li> <li>- Any member of staff or pupil who have suspected Covid-19 symptoms to arrange a test and if tested positive to refrain from coming into school for the isolation period. Letter will be sent to all parents and LA informed. If positive the identified bubble will be sent home.</li> <li>- Parents/visitors to wear face covering when on the school site at pick up times (including drop off for Nursery).</li> <li>- Staff to wear face coverings when in the playground at start/end of day.</li> </ul>	<p>KLB (SENDCo) to share guidelines with staff in the use of PPE in the Lighthouse</p> <p>PPA room identified as isolation room for staff / pupils with Covid-19 symptoms, log to be kept of anyone who has visited. First aider to assess and adult supervision (wearing PPE) for pupils while waiting. Staff/pupils to exit from KS 2 gate.</p> <p>AR (Caretaker) to ensure sufficient supply of disposable gloves and anti-bacterial wipes/cleaning materials for each classroom. Continue to review supplies in school and make sure there is enough in stock. Classrooms used to have a working sink for regular hand-washing.</p> <p>Non-contact temperature thermometers obtained for medical room and extra for possible use on entry to school, where staff or pupils present high temperature symptoms (with consent).</p> <p>Headteacher to include this in letter to parents. WF (DHT) to manage and oversee Track and Trace. Mrs Sharma to arrange to update entry system to reflect information as required by Track and Trace.</p> <p>Send message via SchoolPing re face covering requirement.</p>

# Risk Assessment Form

Corporate Health, Safety and Welfare Management System

		<p>Apply PHE social distancing and all other precautions (this includes inside vehicles when applicable)</p> <p><a href="https://www.gov.uk/government/organisations/public-health-england">https://www.gov.uk/government/organisations/public-health-england</a></p> <p>Weekly staff training to be carried out via zoom</p> <p>If any face to face conversation becomes threatening, dynamically assess the risk and, if necessary walk away and contact a member of SLT.</p> <p>Strict staggered entry and pick up introduced in each phase to minimise gatherings and numbers of parents on site. Where there are siblings in different phases, parents will drop off all siblings following drop off and pick up times for the youngest child.</p> <p>On entry staff to sanitize pupils' hands and temperature checks taken. Children then go straight to their class Bubble (continue with soft start as less congestion). Children seated at tables positioned forward facing away minimising contact from peers. Pupils to work from the same desk, whilst in the classroom.</p> <p>Staff on entry to tap in on entry system, sanitize hands and keep safe distances apart and sign for staff reminding them about not entering if family members displaying Covid-19 symptoms.</p> <p>Staff must wash their hands regularly and keep safe distances apart up to at least 2 metres</p> <p>If a member of staff or pupil becomes ill / shows COVID-19 symptoms they should go home and follow the <a href="#">stay at home guidance</a>. PPE should be worn by staff caring for the child or adult while they await collection.</p>	<p>Provide staff with a clear protective screen in the main Reception area. Limit sharing of office spaces; staff to work in different rooms/ spaces where possible, to minimise contact. Purchase protective screen for AHT Office.</p> <p>Staff to use internal phones as much as possible for communication.</p> <p>Breaks to be staggered for all groups of pupils in different year groups.</p> <p>Parents informed that drop off will be at the gate. Place spots/markers for parents/carers in playground for picking up times (up to 2 metres apart) and in Reception area. Only one parent allowed to drop off or collect at any given time using one-way system. NS to order non-contact thermometers.</p> <p>WF(DHT) to inform Caretaker of any incidents to ensure room/s is deep cleaned.</p>
--	--	--	--

## Risk Assessment Form

Corporate Health, Safety and Welfare Management System

			<p>Following any incident of which a member of staff or pupil becomes unwell the work area / isolation room will be cleaned in accordance with the Government's advice Covid-19 decontaminations in a non-health care setting.</p> <p>All surfaces and objects bacterially cleaned after use in all rooms. Telephones and computer keyboards wiped with bacterial cleaner daily if in use.</p> <p>A first aider should always be on site including a paediatric first aider.</p> <p>Rooms that are too small will not be used. The DfE guidance states primary aged children cannot be expected to social distance. Classes will have up to 30 with children on tables facing forward. Staff must follow social distancing guidelines.</p> <p>Windows/doors in classes to be kept open for ventilation (except for fire safety doors).</p>		<p>Headteacher to send out letter to parents to inform the school if their child/family member has displayed Covid-19 symptoms not to send their child/ren in. WF(DHT)/Headteacher to follow up with pupils/staff who have been in school that display symptoms to ensure a test is taken and results shared with WF(DHT)/Headteacher. Bubble with staff/pupil to then self-isolate for 14 days. Letter as provided by LA to be sent out to parents where confirmed case of Covid-19.</p> <p>One-way system where possible for moving around the School for pupils and staff. In areas where this is not possible AR to put arrows along corridors and walls to show direction of travel.</p> <p>ES (Headteacher's PA) to check on expiry of First Aid certificates and availability of paediatric First Aider.</p> <p>Staff/visitors to use sanitizer in Reception on entry to school. All visitors/parents to be given an appointment for visits.</p>
	<p><b>Staff with sanitation duties</b> <b>Cleaning staff and caretakers</b> Risk from environmental exposure, exposure to persons,</p>	<b>H</b>	<p>Staff should always wear PPE (gloves, apron and face masks) and use wipes, etc.</p> <p>Staff who are extremely and clinically vulnerable, which includes people over the age of 70, pregnant women and those certain medical conditions listed in the <a href="#">social</a></p>	<p><b>L</b> <b>YES</b></p>	<p><i>Needed for environmental exposure:</i> Ready supply of suitable wipes and safe disposal of used wipes, masks in identified bins, regular hand washing, i.e. before and after tasks.</p>

## Risk Assessment Form

Corporate Health, Safety and Welfare Management System

	<p>transmission from touching contaminated objects.</p> <p>Risk from spilled fluids.</p>		<p><a href="#">distancing guidance</a> take particular care to minimise contact with others.</p> <p>All areas to be cleaned regularly throughout the day (including additional cleaning schedule at lunchtime) and at the end of the working day as per normal procedures.</p> <p>If someone becomes unwell while undertaking these duties, with a new, continuous cough or a high temperature and/or change in their sense of smell/taste, inform a member of the SLT, they should go home and seek a test and follow the <a href="#">stay at home guidance</a>.</p> <p><a href="https://www.gov.uk/government/publications/covid-19-decontamination-in-non-healthcare-settings">https://www.gov.uk/government/publications/covid-19-decontamination-in-non-healthcare-settings</a></p> <p>The minimum PPE should be worn when cleaning an area where a person with possible or confirmed coronavirus has been following the cleaning in non-health care settings <a href="#">guidance</a>.</p> <p>Staff should wash their hands with warm soapy water for a minimum of 20 seconds on arrival at work, after each cleaning operation and disposal of materials and again prior to leaving work.</p> <p>Staff should avoid touching their face, nose and eyes.</p> <p>Where contractors and external specialists working with children may be visiting school premises such operations will be assessed in advance by the headteacher or a member of the Senior Management Team to determine whether such work is essential. In cases where work is essential a separate risk assessment will be conducted and communicated for each such operation. Specialist teachers will sign the declaration (on entry sign system) to confirm they are not experiencing COVID 19 systems.</p>		<p>Display social distancing posters and give ongoing reminders to children, staff and visitors.</p> <p>Headteacher to employ additional supply cleaners to ensure we have enough availability for high levels of cleaning; cleaners given a checklist of areas to be cleaned.</p> <p>Headteacher to ensure Midday staff are clear about the actions they should take if a child presents with symptoms compatible with Coronavirus and correct use of PPE.</p> <p>A SLT member to be present on lunch duty to support midday staff.</p> <p>Display posters around school and on gates.</p> <p>AR (Caretaker) to purchase additional identifiable bin liners for disposal of used PPE and placed in separate bin in each room used.</p>
